**DETAILED ACTION**

1. Applicant's amendments filed on 10/02/2003 has been received and entered in the case.
2. Applicant's amendments with respect to claim 1 have been considered.
3. The proposed drawing corrections were received on 10/02/2003. These corrections are acceptable.
4. In order to avoid abandonment, the drawing informalities noted in Paper No. 5, mailed on 6/04/2003, must now be corrected. Correction can only be effected in the manner set forth in the above noted paper.

***Allowable Subject Matter***

5. Claims 1-3 and 5-19 are allowed.
6. The following is an examiner's statement of reasons for allowance: In view of the limitations that the prior art recited in this new action does not disclose or suggest a speaker assembly including a speaker housing having a top wall and an opposed open end, having a first and second sound source mounted within the speaker housing, wherein a first and second cover member is positioned over at least a portion of the first and second sound source to alter the frequency response of the first and second sound source in a manner creating a physical crossover network and where the first and second cover member is a first and second support housing secured to the closed top wall, wherein the first and second sound source being
